DRIVE REAL IMPACT.

MAÏEUTYK
STRATEGIC MARKETING

A PROGRAM THAT CELEBRATES THE STRENGTH OF OUR NETWORK

Our story is written with you.

Your trust, our conversations, and your loyalty play an essential role in our journey.

To thank you, we are officially launching the
Maieutyk Referral Program.

This is our way of recognizing your support and giving something back in return.

OUR WAY OF SAYING **THANK YOU**

Because every client is unique, we offer several options.

Option 1: \$500 Credit

Applicable for a future mandate with Maïeutyk.

Option 2: Free 1.5 h Workshop

A co-creation workshop with a summary report included.
Valid for 12 months.

Option 3: \$500 Donation to a Cause of Your Choice

We make the donation on your behalf.

Option 4: \$250 Commission

Amount paid directly to the referring person.

No annual limit: every signed and started mandate leads to a new reward.

HOW DOES IT WORK?

If you know an organization that could benefit from a co-creation workshop, a tailored marketing strategy, or strategic support, simply introduce us to your contact, and we'll take care of the rest!

1. Introduce your contact to Elke.

By email, LinkedIn, or in person. A brief introduction is all it takes.

2. We take it from there.

We assess their needs and confirm whether our services are a good fit.

3. The mandate moves forward.

Once the mandate is signed and the first month is paid, your reward is activated.

Every referral matters to us, whether it leads to a new mandate or not. Thank you for your trust!
